

There were some great runs around the Tan today by club members

Aths Vic apparently are having some computer troubles and so team placings will not be available until Monday however the good news is that Knox Women failed to place high enough to catch us and so after a great team effort all season our Division 1 women have managed to stay in Premier League.

Well done to all concerned and to our overseas contingent we are looking forward to having you back next year.

Detailed are our individual times and it is pleasing to note the runs of some of our younger brigade. To those of you who are new to the club and running AV have kept a master list of all runs around the tan over the years so you should eventually be able to check how you compare with all of those who have gone before you.
